

ANTOFAGASTA PLC

Antofagasta Q3 2021 Production Report

Wednesday 20 October 2021

Antofagasta plc will release its production report for the Q3 ended 30 September 2021 on Wednesday 20 October 2021.

Announcement

The Q3 production report will be available on our website www.antofagasta.co.uk from 7:00am (BST).

Q&A video conference

On behalf of the Company, we would like to invite you to participate in a Q&A video conference call with our CEO, CFO and VP of Corporate Affairs and Sustainability which will be open to all investors. The link will be included in our announcement and is also given below.

Date 20 October 2021

Time 1:00 pm (BST)

Link Please join the conference [here](#)

For those investors and analysts who are not able to join the Zoom Video Webinar, please join via telephone using the dial-in details below. You will be able to hear the Q&A and ask questions over the telephone (Confirmation code: 5914273). Both video and telephone participants will have to register before they can participate in the call so please leave enough time to do this before the call begins.
