Invitation from the Chairman

Dear shareholder

I am pleased to invite you to the 2026 Annual General Meeting (the “**AGM**”) of Antofagasta plc (the “**Company**”). The AGM will be held at 10:00 am on 7 May 2026 at Church House Westminster, Dean’s Yard, London SW1P 3NZ.

The AGM is an important event and the Board is keen to encourage shareholders to attend this year’s AGM in person. Due to very low attendance by electronic means at our hybrid meetings a few years ago, we have again decided not to convene the AGM as a hybrid meeting.

The formal notice of AGM is set out on pages 2 to 6 and an explanation of the business to be considered and voted on at the AGM is set out on pages 7 to 13.

As you will see, the resolutions to be proposed at the AGM this year cover substantially the same business as has been covered in previous AGMs.

Shareholders should check the Company’s website and announcements for the latest information on any additional procedures that will be in place at the AGM or any changes to the current arrangements.

Action to be taken

You will find enclosed separate forms of proxy for use at the AGM of the ordinary shareholders and preference shareholders (as applicable). Please complete, sign and submit each enclosed form as soon as possible in accordance with the instructions printed on them, whether or not you intend to be present at the AGM.

Completion of a form of proxy will not prevent you from attending in person and voting at the AGM should you subsequently decide to do so.

Whether you intend to attend the meeting or not, you are strongly encouraged to appoint a proxy in advance of the meeting using one of the methods detailed in this notice. If you appoint the Chairman of the meeting as your proxy, this will ensure your votes are cast in accordance with your wishes.

Forms of proxy should be deposited (or submitted electronically at www.eproxyappointment.com), with the registrars of the Company, Computershare Investor Services PLC, The Pavilions, Bridgewater Road, Bristol BS99 6ZY, as soon as possible, but in any event no later than 10:00 am on 5 May 2026. CREST members wishing to use the CREST electronic appointment service are referred to Note 7 of the notice of AGM on page 15.

Recommendation

Your Directors consider that the resolutions described in this notice are in the best interests of shareholders as a whole and unanimously recommend shareholders to vote in favour of them.

Together with the Board, I would like to thank you for your continued support and look forward to meeting many shareholders on the day.

Yours sincerely

JEAN-PAUL LUKSIC
Chairman

The AGM is a valuable opportunity for you to ask questions to the Board and your participation in the AGM is important to the Company.”

 - (b) comprising equity securities (as defined in section 560(1) of the Companies Act 2006) up to a further aggregate nominal amount of £16,430,945 in connection with an offer by way of a fully pre-emptive offer,

such authorities to apply until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027 unless previously renewed, varied or revoked by the Company in general meeting, but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority expires, and the Directors may allot shares or grant such rights under any such offer or agreement as if the authority had not expired. For the purposes of this Resolution 18, “**fully pre-emptive offer**” means an offer:

- (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (ii) to holders of other equity securities (as defined in section 560(1) of the Companies Act 2006) as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

Special resolutions

19. **THAT**, in substitution for all existing authorities and subject to the passing of Resolution 18, the Directors be generally empowered pursuant to section 570 of the Companies Act 2006 to allot equity securities (as defined in section 560(1) of the Companies Act 2006) for cash pursuant to the authority granted by Resolution 18 and/or pursuant to section 573 of the Companies Act 2006 to sell ordinary shares held by the Company as treasury shares for cash, in each case free of the restriction in section 561 of the Companies Act 2006, such authority to be limited:

- (a) to the allotment of equity securities and/or sale of treasury shares for cash in connection with an offer of, or invitation to apply for, equity securities (but in the case of an allotment pursuant to the authority granted by paragraph (b) of Resolution 18, such authority shall be limited to the allotment of equity securities in connection with an offer by way of a fully pre-emptive offer only):
 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to holders of other equity securities (as defined in section 560(1) of the Companies Act 2006), as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

- (b) to the allotment of equity securities pursuant to the authority granted by paragraph (a) of Resolution 18 and/or sale of treasury shares for cash (in each case otherwise than in the circumstances set out in paragraph (a) of this Resolution 19) up to an aggregate nominal amount of £4,929,283 (calculated, in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights); and
- (c) to the allotment of equity securities pursuant to the authority granted by paragraph (a) of Resolution 18 and/or sale of treasury shares for cash (in each case otherwise than in the circumstances set out in paragraph (a) or paragraph (b) of this Resolution 19) up to an aggregate nominal amount equal to 20% of any allotment of equity securities or sale of treasury shares from time to time under paragraph (b) of this Resolution 19, such authority to be used only for the purposes of making a follow-on offer which the Directors determine to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to apply until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027 unless previously renewed, varied or revoked by the Company in general meeting but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority hereby conferred had not expired.

For the purposes of this Resolution 19, “fully pre-emptive offer” has the same meaning as in Resolution 18 above.

20. **THAT**, in addition to any authority granted under Resolution 19, and subject to the passing of Resolution 18, the Directors be generally empowered pursuant to section 570 of the Companies Act 2006 to allot equity securities (as defined in section 560(1) of the Companies Act 2006) for cash pursuant to the authority granted by paragraph (a) of Resolution 18 and/or pursuant to section 573 of the Companies Act 2006 to sell ordinary shares held by the Company as treasury shares for cash, in each case free of the restriction in section 561 of the Companies Act 2006, such authority to be limited:
- (a) to the allotment of equity securities and/or sale of treasury shares for cash up to an aggregate nominal amount of £4,929,283 (calculated, in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights), such authority to be used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Directors determine to be an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice; and
 - (b) to the allotment of equity securities and/or sale of treasury shares for cash (in each case otherwise than in the circumstances set out in paragraph (a) of this Resolution 20) up to an aggregate nominal amount equal to 20% of any allotment of equity securities or sale of treasury shares from time to time under paragraph (a) of this Resolution 20, such authority to be used only for the purposes of making a follow-on offer which the Directors determine to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to apply until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027 unless previously renewed, varied or revoked by the Company in general meeting but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority conferred hereby had not expired.

 - (d) this authority shall apply until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027; and
 - (e) the Company may make a contract to purchase Ordinary Shares under this authority before the expiry of the authority which will or may be executed wholly or partly after the expiry of the authority, and may make a purchase of Ordinary Shares in pursuance of any such contract.
22. **THAT** a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days’ notice.

Explanatory notes to the resolutions

The explanatory notes that follow form part of the notice of the AGM and provide important information regarding the items of business to be considered at the AGM.

Resolutions 1 to 18 (inclusive) are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 19 to 22 (inclusive) are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1

Annual Report and Financial Statements

Shareholders will be asked to receive the Annual Report and Financial Statements (the “**Annual Report**”) of the Company for the year ended 31 December 2025, together with the reports of the Directors and auditors thereon. The financial statements contained in the Annual Report comply with International Financial Reporting Standards.

Resolution 2

Remuneration Report

Resolution 2 is to approve the Directors’ and CEO’s Remuneration Report (other than the part that contains the Directors’ and CEO’s Remuneration Policy referred to in Resolution 3), which sets out how the 2023 Directors’ and CEO’s Remuneration Policy was applied during the year ended 31 December 2025. The Directors’ and CEO’s Remuneration Report is included on pages 140 to 163 of the Annual Report and has been prepared in accordance with the requirements of section 421 of the Companies Act 2006 (and regulations made under that section) and the UK Corporate Governance Code.

The vote upon Resolution 2 is advisory. It is not specific to individual levels of remuneration and the Directors’ entitlement to remuneration is not conditional on it.

Resolution 3

Remuneration Policy

The Company is required seek shareholder approval of the Directors’ remuneration policy at least every three years.

Resolution 3 is to approve the 2026 Directors’ and CEO’s Remuneration Policy (the “**Remuneration Policy**”) which is included on pages 144 to 150 of the Annual Report. The vote on this Resolution 3 is binding and, if approved by the shareholders, will supersede the 2023 Directors’ Remuneration Policy approved by shareholders at the 2023 annual general meeting. The Remuneration Policy as been prepared in accordance with the requirements of section 421 of the Companies Act 2006 (and regulations made under that section).

Subject to shareholder approval, the Remuneration Policy will take effect from the end of the AGM with the intention that it will remain in place for three years. If the Company wishes to change the Remuneration Policy within that three-year period, it will submit a revised remuneration policy to shareholders for approval.

Explanatory notes to the resolutions continued

Once the Remuneration Policy is approved, the Company will only make payments to current, prospective or former Directors in line with the approved Remuneration Policy, or otherwise following specific approval by shareholders. The Remuneration Policy will next be submitted to shareholders no later than the annual general meeting in 2029.

Resolution 4

Declaration of final dividend

Resolution 16 is to declare a final dividend. If approved, a final dividend of 48.0 cents per ordinary share will be paid on 11 May 2026 to shareholders on the register at close of business on 17 April 2026. An interim dividend of 16.6 cents per ordinary share was paid on 30 September 2025. This gives total dividends per ordinary share proposed in relation to 2025 of 64.6 cents per share. The total amount of dividends to ordinary shareholders proposed in relation to 2025 will be \$636.9 million.

Dividends are paid gross without deduction of United Kingdom income tax. The Company is a resident in the United Kingdom for tax purposes.

Resolutions 5 to 15

Election and re-election of current Directors

In accordance with provision 18 of the UK Corporate Governance Code, all the Directors are required to be subject to annual re-election by shareholders. Each of the Directors will stand for election, or re-election, at the AGM. The Chairman has confirmed that, following formal performance evaluation, all of those Directors continue to perform effectively and demonstrate commitment to their roles.

Biographical details for all the Directors at the date of this notice are set out on pages 18 to 24 to enable shareholders to take an informed decision on their re-election.

Resolutions 6, 9, 10, 11, 12, 13 and 14 relate to the re-election of Francisca Castro, Michael Anglin, Tony Jensen, Eugenia Parot, Heather Lawrence, Tracey Kerr and Ignacio Bustamante who are the Directors at the date of this notice who meet all of the independence criteria set out in provision 10 of the UK Corporate Governance Code and who the Board has determined are independent Directors for the purposes of the UK Corporate Governance Code (the **"Independent Directors"**).

As the Company has a controlling shareholder, election or re-election of the Independent Directors must be approved by a majority vote of both:

1. the shareholders of the Company; and
2. the independent shareholders of the Company (that is, each shareholder of the Company entitled to vote on the election or re-election of Directors who is not a controlling shareholder of the Company).

Resolutions 6, 9, 10, 11, 12, 13 and 14 are therefore being proposed as ordinary resolutions on which all shareholders may vote. In addition, however, the Company will separately count the number of votes cast by independent shareholders in favour of each resolution (as a proportion of the total votes of independent shareholders cast on each resolution) to determine whether the threshold referred to in 2 above has been met.

The Company will announce the results of these resolutions on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

For these purposes, the votes controlled by the E. Abaroa Foundation (which is a controlling shareholder of the Company as it controls more than 30% of the voting rights in the Company) and of the other shareholders with whom it is acting in concert will therefore be excluded when calculating the votes of the independent shareholders as referred to in 2 above.

Under the Listing Rules, if a resolution to elect or re-elect an Independent Director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a general meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of Resolutions 6, 9, 10, 11, 12, 13 and 14 is not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant Independent Director(s) will be treated as having been re-elected only for the period from the date of the AGM until the earlier of: (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM, to propose a further resolution to re-elect him or her; (ii) the date which is 120 days after the AGM; or (iii) the date of any announcement by the Board that it does not intend to hold a second vote. In the event that the Independent Director's re-election is approved by a majority vote of all shareholders at a second meeting, the Independent Director will then be re-elected until the next annual general meeting.

The Company is also required to provide details of: (i) any previous or existing relationship, transaction or arrangement between an Independent Director and the Company, its Directors, any controlling shareholder or any associate of a controlling shareholder; (ii) why the Company considers the Independent Director will be an effective director; (iii) how the Company has determined that the Director is an independent Director; and (iv) the process by which the Company has selected the Independent Director. All applicable details are provided for the Independent Directors as part of their respective biographies below.

The Company has received confirmation from each of the Independent Directors that, except as disclosed in the biographical details set out on pages 18 to 24, he or she has (or has had) no existing or previous relationship, transaction or arrangement with the Company, its Directors, any controlling shareholder or any associate of a controlling shareholder.

Resolution 16

Re-appointment of auditors

The Company is required at each general meeting at which financial statements are presented to appoint auditors to hold office until the end of the next such meeting. Deloitte LLP has indicated its willingness to be re-appointed to this office. Accordingly, Resolution 16 re-appoints Deloitte LLP as auditors to the Company from the end of this AGM until the end of the Company's next annual general meeting in 2027.

Explanatory notes to the resolutions continued

Resolution 17

Remuneration of the auditors

Resolution 17 is to authorise the Audit and Risk Committee (for and on behalf of the Board) to determine the remuneration of the auditors, Deloitte LLP.

Resolution 18

Authority to allot

The Companies Act 2006 prevents the Directors from allotting unissued shares of the Company unless they are authorised to do so by the shareholders in a general meeting or by the Articles of Association.

The Investment Association's Share Capital Management Guidelines state that its members will regard as routine an authority to allot up to two-thirds of the existing issued share capital, provided that any amount in excess of one-third of existing issued shares should be applied to fully pre-emptive offers only.

In accordance with these guidelines, the Directors are seeking authority to allot shares in the capital of the Company up to a maximum nominal amount of £32,861,890 (representing 657,237,800 ordinary shares of 5p each), which represents approximately two-thirds of the Company's issued ordinary share capital as at 18 March 2026 (being the last business day prior to the date of this notice). Of this amount, £16,430,945 (representing 328,618,900 ordinary shares of 5p each), which represents approximately one-third of the Company's issued ordinary share capital as at 18 March 2026 (being the last business day prior to the date of this notice), can only be allotted pursuant to a fully pre-emptive offer.

The authority will last until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027.

The Directors have no present intention to exercise this authority. However, the Directors consider it appropriate to maintain the flexibility that this authority provides to be able to respond to market developments and to enable allotments to take place, if appropriate, to finance business opportunities as they arise.

As at 18 March 2026 (being the last business day prior to the date of this notice), no ordinary shares were held by the Company in treasury and the issued ordinary share capital of the Company has not changed since 20 March 2025.

Resolutions 19 and 20

Power of the Company to issue shares other than pro rata to its existing shareholders

The Companies Act 2006 prevents the Directors from issuing equity securities of the Company for cash other than pro rata to ordinary shareholders unless they are empowered to do so by special resolution or by the Articles of Association. Resolutions 19 and 20, which are proposed as special resolutions, will give the Directors the authority to allot ordinary shares or other equity securities (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings in certain circumstances and subject to certain limits.

These disapplication authorities in Resolutions 19 and 20 are in line with institutional shareholder guidance, and in particular, with the Statement of Principles of the Pre-Emption Group, as updated in November 2022 (the “**Pre-Emption Group Principles**”). The Pre-Emption Group Principles allow the following annual disapplication of pre-emption rights:

- 1) 10% of issued ordinary share capital which may be issued on an unrestricted basis;
- 2) an additional 10% of issued ordinary share capital which may be issued for either “an acquisition or specified capital investment”; and
- 3) a limited follow-on offer to existing holders of securities not allocated shares under an issue made under either (1) or (2) above.

Resolution 19 will authorise the Directors to allot equity securities, pursuant to the authority given by Resolution 18, or to sell treasury shares for cash, in each case on a non-pre-emptive basis:

- (a) up to an aggregate nominal amount of £32,861,890 (representing 657,237,800 ordinary shares of 5p each), which represents approximately two-thirds of the Company’s issued ordinary share capital as at 18 March 2026 (being the last business day prior to the date of this notice), to existing ordinary shareholders in proportion to their existing holdings and to holders of other equity securities if required by the rights of those securities, in each case subject to the right of the Board to impose necessary or appropriate limitations to deal with, for example, fractional entitlements and regulatory matters. Of this amount, £16,430,945 (representing 328,618,900 ordinary shares of 5p each), which represents approximately one-third of the issued ordinary share capital of the Company as at 18 March 2026 (being the last business day prior to the date of this notice), can only be allotted pursuant to a fully pre-emptive offer;
- (b) separately, up to an aggregate nominal amount of £4,929,283 (representing 98,585,660 ordinary shares of 5p each), which represents slightly less than 10% of the issued ordinary share capital of the Company as at 18 March 2026 (being the last business day prior to the date of this notice); and
- (c) up to a further aggregate nominal amount of £985,856 (representing 19,717,120 ordinary shares of 5p each), which represents slightly less than 2% of the issued ordinary share capital of the Company as at 18 March 2026 (being the last business day prior to the date of this notice) for the purposes only of a follow-on offer as described in the Pre-Emption Group Principles.

Resolution 19 will additionally authorise the Directors to allot equity securities or sell treasury shares for cash on a non-pre-emptive basis in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding 12-month period and is disclosed in the announcement of the allotment.

Explanatory notes to the resolutions continued

The authority under Resolution 19 is limited to:

- (a) up to an aggregate nominal amount of £4,929,283 (representing 98,585,660 ordinary shares of 5p each), which represents slightly less than 10% of the issued ordinary share capital of the Company as at 18 March 2026 (being the last business day prior to the date of this notice); and
- (b) up to a further aggregate nominal amount of £985,856 (representing 19,717,120 ordinary shares of 5p each), which represents slightly less than 2% of the issued ordinary share capital of the Company as at 18 March 2026 (being the last business day prior to the date of this notice) for the purposes only of a follow-on offer as described in the Pre-Emption Group Principles.

Taken together, these authorities give the Directors authority to allot equity securities or to sell treasury shares for cash on a non- pre-emptive basis with an aggregate nominal value representing slightly less than 24% of the issued ordinary share capital of the Company as at 18 March 2026 (being the last business day prior to the date of this notice).

The authority in each of Resolution 19 and 20 includes the ability to issue up to 2% of the issued ordinary share capital of the Company for the purposes of a follow-on issue. The Pre-Emption Group Principles provide for follow-on offers as a possible means of enabling smaller and retail shareholders in the Company to participate in a non-pre-emptive equity issue when it may not be possible (for timing or other reasons) for them to participate in a particular placing being undertaken. The Pre-Emption Group Principles set out the expected features of any such follow-on offer, including in relation to qualifying shareholders, monetary caps on the amount qualifying shareholders can subscribe and the issue price of the shares.

The authorities in Resolutions 19 and 20 will last until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027.

The Directors have no present intention to exercise these authorities. However, as with the authority in Resolution 18, the Directors consider it appropriate to maintain the flexibility that these authorities provide to be able to respond to market developments and to enable allotments to take place, if appropriate, to finance business opportunities as they arise, without making a pre-emptive offer to existing shareholders.

The Directors also confirm that they intend to follow the shareholder protections in Part 2B of the Pre-emption Group Principles as well as the expected features of a follow-on offer as set out in paragraph 3 of Part 2B of the Pre-emption Group Principles in relation to any follow-on offer.

Resolution 21

Power of the Company to purchase its own shares

At the 2025 annual general meeting, the Company was granted authority to purchase up to 98,585,669 of its own ordinary shares (which represented 10% of the issued ordinary share capital of the Company). The Directors now propose that this authority should be renewed.

The Directors have no present intention to exercise the authority sought by this resolution. However, the Directors believe that it is in the best interests of the shareholders that the Company has the flexibility to make market purchases of its own ordinary shares. The Directors intend to exercise this power only when, in light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and is in the best interests of shareholders generally. Any ordinary shares purchased in this way will either be cancelled or held in treasury. Resolution 21, which is proposed as a special resolution, specifies not only the maximum number of ordinary shares that the Company may acquire, but also the maximum and minimum prices at which they may be bought.

This authority will last until the earlier of the conclusion of the next annual general meeting of the Company or close of business on 6 August 2027. It is the Directors' intention to renew such authority at each further annual general meeting of the Company.

As at 18 March 2026 (being the last business day prior to the date of this notice), the Company had no warrants or options to subscribe for equity shares outstanding.

Resolution 22

Notice of general meetings

The Companies Act 2006 provides that all general meetings (except annual general meetings) must be held on 21 clear days' notice unless shareholders agree on an annual basis to a shorter notice period. A resolution to allow the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice has been passed at each annual general meeting since this provision came into effect. This resolution, which is proposed as a special resolution, will renew the approval of the shorter notice period.

The shorter notice period will not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The approval will be effective until the annual general meeting in 2027, when it is intended that a similar resolution will be proposed.

In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting in accordance with the Companies Act 2006.

Important notes in relation to the AGM

The following notes explain your general rights as a shareholder and your rights to attend and vote at the AGM, or to appoint someone else to do so on your behalf.

1. To be entitled to attend and vote at the meeting (and for the purposes of determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6:00 pm on 5 May 2026 (or, in the event of an adjournment, on the date which is two days, excluding any part of a day that is not a working day, before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline will be disregarded in determining the rights of any person to attend or vote at the meeting.
2. A shareholder of the Company is entitled to appoint a proxy to exercise all or any of his/her rights to attend, speak and vote on his/her behalf at the meeting of the Company. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to different shares held by that shareholder. Shareholders are encouraged to vote on the resolutions in advance of the AGM by completing a proxy form appointing the Chairman of the meeting as their proxy, even if they intend to attend the AGM in person. This is to ensure that their vote is counted if they are unable to attend in person on the day. Appointing the Chairman of the meeting or another person of their choice as a proxy will not prevent shareholders from attending and voting in person.
3. A proxy form which may be used to appoint one or more proxies and to give them instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the registrars of the Company, Computershare Investor Services PLC on +44 (0)370 702 0159. To be valid, the purple-stripped (or, for preference shareholders, blue-stripped) form of proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited (or submitted electronically at www.eproxyappointment.com) with the registrars of the Company, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 10:00 am on 5 May 2026. A proxy form lodged electronically will be invalid unless it is lodged at the electronic address specified in this Note 3.
4. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same shares.
5. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a “**Nominated Person**”) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

6. The statement of rights of shareholders in relation to the appointment of proxies in Notes 2 to 4 above does not apply to Nominated Persons. The rights described in these notes can only be exercised by a shareholder of the Company.
7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com/en.html). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/en.html). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company’s agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. All resolutions at the AGM will be decided by a poll. On a poll, shareholders’ votes are counted according to the number of shares held, ensuring an exact result.

Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. 10. Any shareholder attending the meeting has the right to ask questions relating to the business being dealt with at the meeting. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:
 - (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or good order of the meeting that the question be answered.
11. A copy of this notice, and other information required by section 311A of the Companies Act 2006, can be found at **www.antofagasta.co.uk**.

A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 26 March 2026, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

13. As at 18 March 2026 (being the last business day prior to the date of this notice), the issued share capital of the Company consisted of 985,856,695 ordinary shares carrying one vote each and 2,000,000 5% cumulative preference shares carrying 100 votes each on a poll. Therefore, the total voting rights in the Company as at 18 March 2026 (being the last business day prior to the date of this notice) were 1,185,856,695.

15. Electronic addresses provided in this notice or any related documentation cannot be used to communicate with the Company for any purpose other than those expressly stated in this notice.
16. In the case of joint holders of a share, only the vote of the senior holder who votes (or any proxy duly appointed by him/her) will be counted by the Company. The senior holder means the joint holder that is named first in the Register of Members of the Company.
